CONTROLLING MANIPULATION OF
VIRTUAL OBJECTS ON A MULTI-
CONTACT TACTILE SCREEN

RESPONSE TO RESTRICTION REQUIREMENT

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313
SIR:

In response to the Restriction Requirement dated January 28, 2010, Applicants elect Group I, Claims 13-28, drawn to a method for controlling a computerized device by a multi-contact touch screen by applying a processing rule. The election of Claims 13-28 is done *without* traverse. Applicants make this election based on the understanding that Applicants are not prejudiced against filing one or more divisional applications that cover the non-elected claims, which shall be subject to the third sentence of 35 U.S.C. § 121.¹

Accordingly, it is respectfully requested that Claims 13-28 be examined on the merits, and an early and favorable action be provided.

Respectfully submitted,
